*Questa esposizione si conforma ad un parere inviato ufficialmente al TICat dal Ministero MIPAAF, in base al quale si richiede che tutti i gatti di razza nati in Italia che partecipano ad una esposizione debbano avere un pedigree rilasciato da un libro origini italiano approvato dal MIPAAF. Per tali gatti, l'entry clerk accetta l'iscrizione solo dopo aver ricevuto per email dall'espositore copia del suddetto pedigree italiano, oppure documentazione che tale pedigree è stato richiesto. Grazie.*
